"Some people come into our lives, leave footprints on our hearts, & we are never the same."

I love all of you!!

Then

My years have come to an end….my journey must lead a new path. I will never forget this place or any of these people. My heart has been filled with laughter, tears, joy, happiness, love, and fun. I am so grateful for the 4 years that I have been given here at Graceland because they are a part of me.

Now

I love you all more then words will ever be able to express. Thank you so much for helping me become the person that I am today. I will miss you dearly.
All my love,
Christa

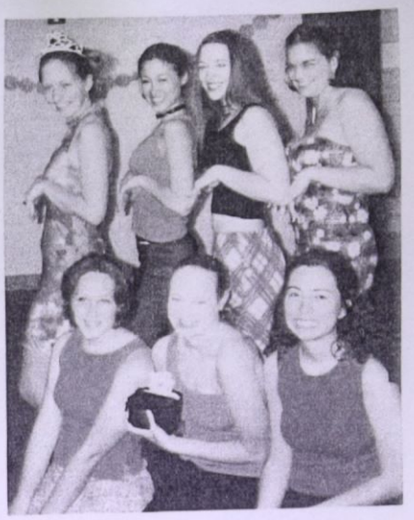
So, they say college is supposed to be the best four years of your life...



...things didn't always turn out the way I had planned, but I wouldn't change a thing...

...growing up happens in a heartbeat, one day you're a little freshmen and the next you're the mom of the hall... and then it's time to go...

...but no matter what, the memories I have made here will stay with me forever...

...and as the years go by, I will still look back with amazement on the wonderful girls I had the chance to spend my four years here with.

To My Gurls:

First I just want to say thank you soo much! You gurls taught me things about people and myself that I never knew! I cherish you and appreciate you sooo much! You have been such and influence on my life and I will never forget the gestures that you made and the time you invested in our friendship that we have established. I had soo much fun being here and making you all soo mad at me and later talking about how it didn't even matter. I loved laughing so loud that you could hear me all the way across campus. I loved being your own personal Blockbuster Video. I loved being your free lance fashion consultant and beautician. I loved being the only chocolate gurl on the hall. Honestly, what would you have done with another as chocolate as me? HAHA I loved letting you all know the real me and never holding anything back. I hope you all take a part of me with you because you will forever be in my heart!...

Hanthorne's 'Twas the Night 2004

December 10, 2004

Twas the night before, "Twas the night"
When all through Hanthorne House
All the creatures were stirring
Even the mouse

While Natasha's on a mission as our Little Bread Bandit

Scary Mary freaks over food
While Amanda S. is ALWAYS in the mood

While Lindsay Garrett is always lookin' so damn fine

When Lisa cheers she yells "Go G.U."
As Paula does her nails we all yell "P U"

Jamie loves to rearrange her room
And Andi has found her perfect groom

Sara Churchman yells at the cat on her fence
And Sara Kendrick is somewhat intense

Jenna will drop to one knee,
At the football players every plea

Misako is our fluttering fairy princess
While Amanda Lands trench coat provides easy access

Brittany gets caught making out with girls
As Aunt Fanny straightens all her blonde curls

Karolyn loves to just add rum
And Jen dances around shakin' that bum

Ellie is playing Christmas carols on her tuba
And Michele is the secret "Mad Poopa"

Kirsten intently watches C.S.I
While Heather bakes cakes and pie

Sara Shaw is no thug,
At the top of her wish list is a cute pug

Kaitlyn is in the bathroom dying her hair red
And Angela is in no way a slouch in bed

As Christa hums the babysitter's club theme song,
Melissa is watching a movie and playing with a schlong

While Cassie catches a softball
Erin Smith heads to Jordan Creek mall

Lindsey Smith is eating a sandwich of ham and cheese
As Megan Pierce aims to please

Christina adores Hello Kitty,
Is it your birthday? Cause we'll show you our titties!!

Whether you're counted as naughty or nice,
Let me give you this piece of advice.
